The daughters of Ira Wright of East Montpelier started to drive to this city Monday afternoon, one to resume her studies in Goddard seminary. When near the city line, their horse slipped and fell, disabling it badly. F. R. He started to return with both teams and had gone but a short distance when the stumble fell again, this time rupturing a blood vessel, which caused its death in a few minutes.

The Wake-up club was delightfully entertained last evening by Miss Blanche Houston at her home on Maple avenue, the occasion being in honor of her eighteenth birthday. ### A LACK OF CONFIDENCE.

The great money question which confronts us today is caused mostly through lack of confidence. If we are not doing business with you it is not because we have not got the goods but because we lack your confidence. Our object in advertising is that we may bring to your mind's eye the particular goods you need and convince you that we are trying in every way to give you the best service possible, as well as full value for your money expended and in that way gain your confidence. This is the weather that makes us think of Furs and Fur-lined Coats. The following is a brief outline of the values we are showing

#### LADIES' FUR COLLARED COATS.

The Coat we are putting out as a leader for the cold weather is made of a heavy black kersey, and lined with a good quality serge lining and interlined. Has a good blended rat collar. Comes fifty inches long. Price \$14.00.

An extra warm Coat for the money is made of a fine quality kersey and is lined throughout with a good quality quilted satin lining. Has a good deep blended rat collar. Length is fifty inches. The price is \$15.00.

#### LADIES' FUR LINED COATS.

A Coat which we have had extra good luck with and one we can recommend for service, is made of a fine broadcloth shell, is lined with a blended seersucker lining and a blended rat collar. The price is \$28.00. This is a Coat the weight of the squirrel but does not shed like the squirrel does.

The Blended Rat Lined Coat is a Coat which for warmth and service cannot be duplicated. One which we think of extra value is fifty inches long and the shell is a fine quality black broadcloth. The fur is a fine blend and collar is a deep blended rat. The price is \$39.00.

## Tea Talk That Tells Tales!

We have always held that Teas should be sold at the same profit as other groceries. We don't believe in selling Tea at from forty to sixty per cent profit—in fact one of the most prominent Tea houses in Boston refused to sell us because we would not sign an agreement to sell for sixty cents a Tea that cost forty cents, a profit of fifty per cent. We prefer a lot of small profits to one big one. Neither do we believe in giving premiums with Tea that have to be paid for by the customers, usually at a large profit. We believe in giving the actual value on the spot. We have a very large line of Teas that were contracted for before the advance and we give you the benefit of this purchase.
